Event highlights

Day Zero Cocktail Reception

The evening before the Forum, registered members are invited to join us for a networking drinks reception at Lancaster House.

Enhanced agenda

This year, the Forum will host more networking opportunities and leading content than ever before. Expect 80+ speakers, 4 inspirational keynotes, dedicated sessions for our LP and Women's Circle communities, champagne roundtables and much more.

Unrivalled networking experience

Build deep connections with an unparalleled 1:1 investor-manager ratio and your bespoke networking service. Our onsite Network team will help facilitate private introductions for you, ensuring you meet the right people.

Hear from our influential keynote speaker

Sulaiman Ilyas-Jarrett

Head of Policy and Strategy for Renewable Electricity Delivery **Department for Energy Security and Net Zero**

Dive into the **renewable energy landscape in the UK**, including the role the government plays, how investment patterns are changing, how the Department sees the renewables and transition market evolving in these coming years, and more.

And more keynotes to be announced soon

Secure your spot

Join the **Infrastructure Investor Network** to attend the **Investor Forum** and benefit from an array of exclusive member benefits, including:

- Access to on-demand webinars, newsletters, surveys, slide decks and more, around issues impacting investment into infrastructure
- Stronger connections with LPs and managers through the world's largest Infrastructure Network Directory
- The Network's bespoke connection service. Let our team know who are you are looking to meet and we will make confidential introductions
- Closed-door women and investor-only groups throughout the year, in off-the-record sessions
- Our experienced team will be on hand to help you at our in-person and virtual events, guiding you to get the most value from your membership
