

Women in Private Markets Summit North America 2025

Day One: Tuesday, 13 May

08:00

Coffee & registration

09:10

Chairs opening address

Laurie Mahon, Senior Advisor, **Infrastructure Markets**

09:15

Keynote Speech: what Trump 2.0 could mean for private markets

09:45

Senior leaders' discussion: driving meaningful change in private markets

- An analysis of where the industry stands and what needs to be done
- Sharing personal experiences, challenges faced, and key takeaways from implementing diversity initiatives.
- Examining the effectiveness of mentorship and sponsorship programs: What strategies deliver the best results?
- Proactive strategies to navigate the anti-DEI narrative and drive progress

10:30

Investor dialogue: how is the LP/GP dynamic evolving in an environment of lower distributions

- Innovations in liquidity: What new liquidity options are emerging?
- Are LPs becoming more assertive in shaping liquidity decisions and strategies?
- How are terms, structures, and expectations shifting between GPs and LPs in today's environment?
- How do LPs anticipate adjusting their private market allocations, and how will near-term performance impact these strategies?

Lindsay Creedon, Partner, **StepStone Group**

Leslie Vargas, Head of Portfolio Management, **Resolution Life US**

11:15

Networking Break

Specific areas for networking

11:45

Blurring the lines: the convergence of asset classes in private markets

- What key drivers are accelerating the integration of asset classes in alternative investments?
- How should LPs adapt their allocation strategies to navigate these blurred boundaries?

Women in Private Markets Summit North America 2025

- What challenges and opportunities arise for GPs in managing cross-asset investments internally?
- Comparing large funds with multiple strategies approach the issue vs. smaller funds operating in spaces such as data centres

12:20

Secondaries: navigating the market's momentum and challenges

- Analyzing the dynamics between LP- and GP-led transactions: Where is the balance shifting?
- Assessing current trends: Is secondaries pricing becoming more favourable for buyers and sellers?
- Exploring the market's evolution across asset classes: What parallels and distinctions are emerging?
- Forecasting growth: How large could the secondaries market grow over the next decade?

Tori Buffery, Senior Director, Secondaries, **Nicola Wealth**

13:10

Lunch

Sponsorship Opportunity

Close of conference followed by cocktail reception

Women in Private Markets Summit North America 2025

Day Two: Wednesday, 14 May

08:00

Coffee & registration

08:15

Invitation only think-tanks

These sessions will allow women to speak freely about the issues impacting their office and asset class. It is a closed door, open conversation where attendees can benchmark ideas and share best practices to gain solutions for common concerns.

09:15

Chairperson's Opening Remarks

09:20

Manager perspectives on how the new administration will impact alternatives in the U.S.

- How has activity in alternatives been influenced so far?
- Are there fears of tariffs triggering a downturn, and is there any evidence to support this currently?
- How will investing in the energy transition evolve during the administration? Are there concerns of a rollback of the IRA?
- Will the administration be net positive for private markets?

10:00

PEI Data Presentation

10:10

Preparing your fundraising team for the next decade

- Overcoming challenges in fundraising in the current landscape
- Considering how technology particularly AI can and is changing the IR function
- Understanding expectations and building lasting relationships with investors
- Comparing the fundraising environment in different parts of alternatives

Lisa Calhoun, Founder, Valor Ventures

Callie Kourniotis, Managing Director, Raymond James

10:45

Coffee & networking

11:15

How GPs are refining their strategy for retail investors

- Assessing the size of the opportunity: What's driving growth, and what's holding it back?
- The role of technology in expanding access to private markets.

Women in Private Markets Summit North America 2025

- Identifying the segments of alternatives best positioned to attract private wealth: Where is the greatest potential?
- Tackling liquidity challenges for retail investors: Innovative solutions and strategies.

11:55

How value creation is evolving across private markets

- Considering strategies for value creation in different segments of private markets
- To what extent are funds in different parts of alternatives hiring in-house value creation experts?
- The impact of macros shifts on investment and value creation playbooks
- How can AI play a part in value creation and what are funds already doing?

12:30

Hiring talent when investing in emerging and niche areas

- Explore the challenges firms face as they seek to expand into niche areas requiring specific expertise
- Sourcing, attracting and onboarding specialized talent or entire teams to meet emerging needs
- Building a Flexible Workforce in a fast-changing environment
- Real-world strategies and success stories in navigating talent gaps while aligning with investor expectations.

13:15

Networking Lunch Roundtable Discussions

14:30

Inaugural Future Leaders Session

A unique opportunity for the next generation to connect and discuss career advancement strategies. Hosted by esteemed industry leaders, this session will offer invaluable insights and guidance to help you navigate your career path. Engage in dynamic discussions, ask questions, and gain the knowledge and inspiration needed to advance in alternatives. Join us for this empowering experience and take the next step in your professional journey.

16:00
