9:30 Chair's opening remarks

9:45-10:35 Opening Keynote: Hester Peirce, Commissioner, U.S. Securities and Exchange Commission

10:35-11:25 Adapting to new AML requirements: the future of private funds under FinCEN

- Developing policies and ensuring they are sufficient to meet the requirements
- Implementation of AML/CFT programs
- What are some of the specific risk metrics for unique circumstances (products, geographies, etc.)

Speaker: Kevin Rooney, Managing Director, Senior Compliance Officer, and Associate General Counsel, Cerberus Capital Management

11:25-11:45 Networking coffee break

Breakout panels

11:45-12:35 Track A: Rules | Antitrust 2.0: navigating a Trump-era revamp of HSR rules

- Rethinking antitrust priorities: market power vs. consumer welfare
- Streamlining M&A approvals and a push for faster regulatory clearances
- Will there be adjustments to the HSR filing thresholds
- SAR Reporting

Track B: Exams | Valuations: private equity, private debt, real estate, and illiquid assets

- Valuation methodologies for private equity, private debt, real estate, and illiquid assets
- Ensuring accurate financial reporting, investor transparency, and compliance with SEC guidelines
- Key challenges and regulatory considerations for SEC exams

Private Fund Compliance Regulatory Forum

12:40-1:30

Track A: Rules | Past, present, and future: interpreting and implementing the SEC marketing rules

- Past: challenges and the ambiguity that led to confusion within the industry
- Present: how the rules are being interpreted and enforced today and what are the pain points (for example, presentation of net performance)?
- Future: potential updates or clarifications of the rules and how private funds can minimize risk moving forward

Track B: Exams | Cybersecurity compliance: meeting SEC expectations and protecting data

- Conducting thorough cybersecurity risk assessments to identify potential threats to compliance and regulatory requirement
- Implementing data security measures and ensuring the protection of client and fund data
- Developing response procedures that are compliant with legal obligations, including reporting requirements and mitigation efforts

Speaker: Samantha Katz, General Counsel and Chief Compliance Officer, Argand Partners

1:30-2:30

Networking luncheon

2:30-3:20

Sustainability at a crossroads: political, economic, and regulatory challenges ahead

- How has the growing backlash against Environmental, Social, and Governance (ESG) criteria impacted the balance between achieving meaningful sustainability outcomes and delivering financial returns
- How has the EU's Sustainable Finance Disclosure Regulation (SFDR) affected U.S. fund managers?
- What role do local regulations, such as California's new ESG laws, play in shaping corporate and investor behavior, and how are businesses adapting to these evolving requirements?
- What are the emerging risks of climate-related litigation, and how might shifts in political leadership post-election affect sustainability practices, policies, and corporate accountability

Private Fund Compliance Regulatory Forum

3:20-4:30

Limited partners perspectives: complex dynamics of potential private fund deregulation

- Current regulatory landscape for private funds and the potential for reduced oversight with the new administration
- Balancing deregulation with investor protection
- How LPs can engage in shaping regulatory discussions around private fund deregulation

4:30-4:50

Networking coffee break

9:00-9:50

Carousel discussions: Facets of effective compliance programs

A hybrid of the roundtable and think tank formats, groups will share best practices in three areas. Each table will report back to the whole group the key practices in one category.

Private Fund Compliance Regulatory Forum

Day 2 May 22

8:00-9:00 **General Breakfast**

8:00-9:00 **Webinar + Workshop: Comprehensive Preparation for SEC Exams**

This dynamic two-part session is designed to provide private fund managers and compliance professionals with essential tools and strategies for preparing for SEC exams.

The first part will be a comprehensive webinar taking place the week of March 17 (exact date TBD).

This second part will be an in-person workshop on how to prepare a strong day one SEC exam presentation deck taking place at the Private Fund Compliance Regulatory Forum on May 22.

Part II: Breakfast Workshop -

First impressions matter: how to prepare a strong day one SEC exam presentation deck

Speaker: Sarah N. Conde, General Counsel, Managing Director & Chief Compliance Officer, Providence Equity Partners

Speaker: Laura Frattaroli, Deputy CCO, General Atlantic

9:00-9:45

Think Tank Sessions

Designed to facilitate candid discussion, think tanks are closed-door sessions for GPs only. Discussions will be facilitator led and will cover top of mind issues and challenges impacting private fund compliance teams today. Delegates have the opportunity to submit topics for discussion prior to the event.

CCOs Think Tank (Invite & GP only)

Facilitator: Steven Felsenthal, General Counsel & Chief Compliance Officer, Millburn Ridgefield Corporation

Senior Compliance Professionals (GPs only)

Facilitator: Jemima John, VP, Compliance, Shamrock Capital Advisors

Private Fund Compliance Regulatory Forum

9:55 Chair's opening remarks

10:00-10:50 **Keynote Fireside Chat: 2025 SEC exam readiness: focus areas, compliance tactics & emerging risks**

- Key focus areas for SEC exams in the coming year and emerging risks related to cybersecurity and technology
- Tips for exam preparedness
- Ensuring compliance and mitigating enforcement risks

Keynote speaker: TBA

10:50-11:40 **Keynote Fireside Chat: SEC enforcement in private funds: understanding key trends**

- How the SEC's tactics and priorities in regulating private funds have shifted over the years.
- What are the most frequent violations that lead private funds to face SEC enforcement actions?
- What recent trends are shaping SEC enforcement actions in the private fund space?

Keynote speaker: Corey Schuster, Co-Chief, Asset Management Unit, Division of Enforcement at U.S. Securities and Exchange Commission

11:50-12:10 **Networking break**

12:10-1:00 **Peer Insight Interactive Breakout Panels**

These dynamic breakout sessions will break the mold of traditional panel discussions by offering our audience the chance to actively engage and share their own experiences at multiple points throughout the conversation. These sessions foster real-time collaboration and insightful exchanges, allowing participants to contribute directly to the discussion and learn from each other's real-world perspectives.

Track A: Rules | Navigating regulatory uncertainty: lessons from 2024 and preparing for new rules in 2025

- An interactive panel discussion fostering real-time collaboration and insightful exchanges on rulemaking topics such as:

Track B: Exams | Preparing for 2025: strengthening compliance programs and navigating key exam priorities
