“

I thoroughly enjoyed the conference. The panels were very informative and the opportunity to network with Korean investors and managers focused on strategies for Korea added a lot of value.

Introduction

PERE Japan Korea Week 2024 brought together over 500 leading investors, fund managers, and industry experts for a dynamic week of connection, collaboration, and insight into the global real estate market.

With a focus on understanding the evolving investment appetite of Japanese and Korean Limited Partners, the event facilitated meaningful discussions and networking opportunities that laid the groundwork for future partnerships. Through thought-provoking panels, strategic meetings, and exclusive content, attendees gained valuable perspectives on navigating the next investment cycle.

We remain committed to delivering impactful conferences in Japan and Korea in 2025, fostering connections between local capital, fund managers, and global investment opportunities.

Thank you to all who participated and contributed to the success of this landmark event.

Sincerely,

Rida Shaikh
PERE Conference Producer

“Tokyo Forum 2024 was a remarkable conference where I gathered insightful thoughts and suggestions from global industry leaders through the sessions and networking breaks. The Forum focused on timely topics in the global markets, covering equity and credit investments and impact investments.”

Managing Director, Country Manager-Japan
CBRE Investment Management Japan KK

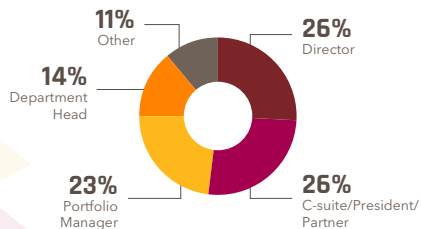

“PERE Seoul Forum was a truly transformative experience, bringing together the brightest minds in private real estate equity. The level of insight shared was unmatched, from in-depth market analysis to forward-thinking strategies that will undoubtedly shape the future of our industry. Connecting with this dynamic community of professionals fostered relationships that will extend well beyond the event.”
