14:40 Panel: Cross-border capital flows – Finding a footing in Europe’s recovery

Europe is still heavily impacted with geopolitical uncertainty after last year’s turbulent elections and the region is still reeling from the macroeconomic headwinds that caused a higher cost of capital. However, real estate markets are bottoming out and green shoots of growth are now visible across select markets. Panelists will share insights into the strategies and approaches they expect will yield the best results amid the region’s recovery.

Speakers:

Joseph Vullo, Head of Real Estate, Europe, **Columbia Threadneedle Investments**

Moderator: Kazuki Shiina, Vice President, Pan-Alts, **Aksia**

15:20 Coffee Break

15:50 Panel: Navigating the diversity of APAC real estate and unlocking APAC’s high-growth markets

Are Japan and Australia still considered staples for Korean LPs’ portfolios? What other secondary cities and emerging economies can be considered the next frontier? A deep dive into the risk-reward profiles of APAC’s diverse real estate markets and the exit strategies in a region that is rapidly evolving.

16:30 Investor Panel: From Yen to real estate – Japanese investors’ playbook for the next 5 years

With currency fluctuations and a historically cautious approach to real estate, Japanese institutional investors face a unique set of challenges and opportunities. Many remain under-allocated to real estate, but with global markets evolving, will they increase exposure? How are they navigating the yen’s volatility and assessing overseas opportunities amid high hedging costs? This panel unpacks the strategies Japan’s leading LPs are using to deploy capital, manage risk, and find value in a rapidly shifting investment landscape.

Speakers:

Yoshikazu Murase, Sr. Manager of Real Estate Investment Office, **Japan Post Insurance**

17:10 Panel: The evolution of Japanese real estate – From urban redevelopment to revival of hospitality

Japan’s real estate market is evolving quickly, with urban redevelopment, logistics, and hospitality sectors leading the way. This panel uncovers the drivers of growth, from local policies to shifting demographics, the impact of low interest rates and a volatile currency, and explores how investors can unlock value in a dynamic market.
