The Women in Private Markets Summit is the world's leading fundraising and networking event for women in alternatives. It is returning to London for its 11th year once again co-located with the **Women in Private Equity, Women in Infrastructure, Women in Real Estate** and **Women in Private Debt Forum**.

Join **over 800** fund managers, general asset managers and institutional investors for two days of networking at the must-attend event for private markets professionals.

Discover what's new in 2024

Join us at the Women in Private Markets Summit 2024 in December for an unparalleled experience designed to maximize your learning and networking opportunities.

[Download the agenda ↻](#)

1

More asset-class specific topics

Benefit from more in-depth and focused discussions across private equity, real estate, private debt and infrastructure. This allows for a deeper exploration into the trends and challenges shaping each asset class.

2

Increased number of influential LP speakers & attendees

Gain insights from a significantly increased lineup of influential LP speakers and network with over 175 institutional investors attending the event.

3

Enhanced networking opportunities

Networking has never been easier with our new, colored lanyards system. Quickly identify and connect with peers in your asset class, making your networking experience more efficient and targeted.

4

Empowering Future Leaders

We're dedicating a specific afternoon to young and emerging leaders across private markets. This focused session is designed to foster growth, provide mentorship, and cultivate the next generation of trailblazers in the industry.

5

Stronger interactive sessions across the agenda

Join the interactive working groups, breakfast think tanks, roundtable discussions, cocktail receptions and a seating networking lunch and connect, learn, and forge valuable relationships.

6

Unrivalled access to global investors across alternatives

Join a prestigious gathering of registered investors, including Border to Coast Pensions Partnership, EBRD, GLIL Infrastructure, LPPI, MEAG, Ontario Teachers' Pension Plan, Phoenix Group, Tesco Pension Investment, USS, and many more.

Connect with our global private market community

Featured sessions at

**Women in Private
Debt Forum**
London 2024

The state of play in private debt: Evaluating the through-the-cycle value of the asset class

- » Where are we now in the cycle?
- » With the higher rates what is the impact on borrower appetite - is there enough dealflow?
- » How long will the “golden era” of private credit continue?

Generating upside from sustainability in private debt

- » What are managers doing to create value in their portfolios?
- » Does ESG-compliant private debt strategies result in an increased credit quality within the portfolio?
- » Should all investments be structured as sustainability linked loans or is it not always suitable for the borrower?

Opportunities for investors in real asset debt

- » Is the macro environment pushing investors to diversify their allocation into private infrastructure and real estate credit which has a lower correlation and different cycle?
- » What comparative advantages does the private real estate debt market present in contrast to other sectors of corporate credit investment?
- » How are managers navigating regulatory frameworks and pressures?
