Uniting Global Investors with Dynamic Markets

Infrastructure Investor Japan Korea Week, featuring both the Seoul Forum and Tokyo Forum, is the leading event for global investors and asset managers seeking to tap into the dynamic infrastructure markets of Japan and Korea.

As a sponsor, you will gain exclusive access to key decision-makers, industry thought leaders, and institutional investors who are actively driving capital into the region, offering unparalleled opportunities for networking and business development.

The Japan and Korea Infrastructure Conferences are always an excellent opportunity to connect with investors and stay informed about the latest developments and trends in the infrastructure sector.
