Japan Korea Week

10-14 June 2024
Seoul, Tokyo

**Unlocking new
Asian capital for
infrastructure**

PEI

2024's must-attend infrastructure investment event

Meet, network and fundraise with over 300 of North Asia's key institutional investors in just one week. Understand Japan and Koreans' LP investing strategies and where they are looking to deploy globally. Explore crucial topics including the resilience of infrastructure investment, the merits of portfolio specialisation versus diversification, and blueprints for future-proofing your investments.

What to expect on the event day

600+
Attendees

300+
Institutional
investors

100+
Speakers

4
Days of
Networking

The PEI infrastructure events were helpful in connecting various parties in the industry.

Yusun Chung, **Schroders Korea**

The Japan and Korea infrastructure conferences are always an excellent opportunity to meet investors and learn about new developments and trends in the infrastructure sector.

Helge Rau, **wpd AG**

Enhance knowledge, expand your network

Gain transformative insights

Understand the global investing landscape, including developments in Asia. Explore the resilience of the asset class, the niche areas of energy transition with the most growth potential, how to find value in growth technologies and much more.

Advance your fundraising

Meet and network with all of North Asia's leading LPs, including GPIF, Japan Post Bank, KIC and NPS.

Build your network of influential investors

Create and nurture sustainable relationships with infrastructure's elite by using our sophisticated networking platform.
