Responsible Investment Forum Asia 2024

29-30 October | Marina Bay Sands, Singapore

**Asia's #1 event for sustainability
in private markets**

PEI

The inaugural Responsible Investment Forum: Asia will bring together 200+ leading institutional investors, fund managers, expert advisors and thought leaders to discuss developing sustainable investment strategies that can enhance returns. As sustainable practices become increasingly prioritised across the region, this event marks a key moment for sustainability in Asian private markets.

Part of the **Sustainable Investor Summit Asia 2024**

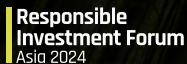

Co-hosted with the 3rd Annual RI Asia, the inaugural Responsible Investment Forum Asia forms the Sustainable Investor Summit Asia. The two agendas will run concurrently with a shared exhibition and interaction space, creating a unique networking opportunity. The summit will bring together thought leaders from both private and public markets from across Asia and beyond. The focus will centre on the ongoing evolution of sustainability in Asian financial markets.

Keynote and chair announced How the upcoming U.S. election will impact sustainability

Steven Okun
Southeast Asia Senior Advisor
Global Private Capital Association

I am excited to chair the PEI Responsible Investment Forum Asia and open the event with a discussion of the critical intersection of government and sustainability. The upcoming US presidential election holds significant implications not just for America, but globally. I look forward to an interactive engagement with the leaders attending the forum as we explore these potential impacts and engage how we can navigate the future.
